

Community Chest Needs More Funds

Tommy Thompson, city chairman for the 1953 Community Chest campaign announced this week that Torrance's quota for the coming campaign will be \$15,496.

At the same time, William C. Bullock, Harbor Area chairman, announced that the Harbor has set its quota for the forthcoming campaign at \$52,664.

"We must show the people of Torrance that this goal must be met," Thompson said. "Community Chest services will be forced to cut its services if we fall short of our quota. We must go to the people of Torrance with the proper conviction that more money is needed and we must show them why more money is needed. With a child population jump of 110% since 1940, we now have a 'City of Children' within a city. That is the reason Torrance must respond to this appeal," Thompson went on to say.

Both Torrance and Harbor Area goals are part of the \$8,754,000 set for the Red Feather appeal in the Los Angeles area campaign for 1953.

"The \$8,754,000 quota set forth for the Los Angeles area to maintain the 164 Red Feather services in the area represents the bare needs. Anything less will force curtailment of many activities of the Community Chest," Area Chairman Bullock stated.

Plans

How is plasma obtained? By separating out the red cells (solids) by rapid whirling. Plasma can be dried to a powder and stored for at least five years. It needs only to be mixed with sterile water for injection into human veins.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

P-T-A to Hold First Meeting

First fall meeting of the Gardena-Wilmington Council P-TA will be held at 10 a.m. Friday, Sept. 25 at the Carson Street School, 185 Carson St. with Mrs. Michael Foxhaven presiding.

Principal speaker will be Mrs. Helen Miller, manager, Tenth District Parent-Teacher Study Bureau. Recognized as a leader in the field of parent education, Mrs. Miller will explain to the group how better parent-child relations can be developed through planned parent education study-discussion groups.

Gardena - Wilmington Council meetings are open meetings and all interested parent-teacher members of the council area are cordially invited to attend.

A pot-luck luncheon will follow the general meeting, with members of the Carson Street P-TA serving as hostesses.

Fifty Represented
More than 50 YMCA's from California, Arizona and Nevada will be represented.

For the sixth straight year TV star Art Linkletter will be the emcee and organizer of the variety show.

Stan Roberts said last year more than 90 youngsters attended and "Had the time of their lives." "We consider Y-Day an important part of our fall program and hope to have more local folks represented this year than ever before."

He added that the Hollywood Bowl show will feature movie, television and radio stars. As in past years, it is expected that it will be broadcast coast to coast on a major radio network.

Transportation for Torrance youngsters will be announced at a later date.

Streets School Responsibility

A request from the Torrance Unified School District that the city install sidewalks on Prairie Ave. in front of Perry School was turned down by the City Council Tuesday night.

The Council maintained that the schools should be treated as a sub-division and that it was up to them to install sidewalks, gutters, and curbs.

All motor vehicles registered after January 1, 1954 shall be equipped with a mirror so located as to reflect to the driver a view of the highway at least 200 feet to the rear.
